

### **Day one :**

Upon arrival at Queen Alia International Airport (Q.A.I.A.) Karma House Staff will meet and Assist the guests through out all airport arrival procedures at the Airport.

**Attached on our Email please find our airport arrival procedures sheet.**

After guests have identified their luggage porters will put on board of the coach, & our staff will lead the guests to the waiting Spanish Speaking guide outside the terminal,

who will introduce him/herself to the guests and Join them on board the coach to the 5 \* hotel in Amman

**Option:** Upon arrival at the hotel, local Musicians troop named (Zaffah) will welcome the guests playing there local festive music, leading them to where the keys are distributed.

Keys will be ready in Alphabetical order on a special desk inside the lobby of the hotel.

During key distribution a non alcoholic welcome drink will be served. Luggage will be distributed to the rooms by the bell boys of the hotel.

During check in, a non alcoholic welcome drink will be served.

### **OPITON ONE FOR DINER**

Regular buffet dinner will be served at the hotels main restaurant.

### **Option two for this day:**

After all formalities at the hotel Coaches will depart for about a 15 minute drive to Kan Zaman village located half way between the airport an the hotel

Kan Zaman Village was an old rest station which was used by the Camel Caravans, that transported goods to the Hijaz (Arabian Gulf ). Afterwards it became the residents of one of the renowned Jordanian Tribes who lived there for over 100 years.

This 17<sup>th</sup> Century old Village located on a top of a small hill, located 20 minutes drive our of Amman, was turned in to a handicraft center, old souk alike and its main stable was turned in to a restaurant offering home made Jordanian dishes.

### **As an option:**

upon arrival at Kan Zaman we can give the guests a welcome Arak drink and a local Musicians troop named (Zaffah) will welcome the guests playing there local

festive music. Leading them in to the main restaurant where a buffet dinner will be served.

After dinner depart back to the hotel for overnight.

**Option three**

If arrival is very late we will have in each room cold cuts platter and bread rolls with a fruit platter

Overnight at the hotel.

**Day two:**

Full buffet breakfast at the hotel.

**OPTION** :Luggage will go direct to Petra on board the luggage truck.

Coach to drive the guests to mount Nebo then to the city of Madaba for the visit of ST. George church with lunch then to Petra

Mount Nebo is the point where Moses pointed out the holy land to his people, and is thought to be the alleged burial place of Profit Moses.

At Mount Nebo a breathtaking view of the Jordan Valley, the River Jordan & the Dead Sea. On a clear day the mountains of old Jerusalem can be observed as well. At Mount Nebo a 6<sup>th</sup> Century old church will be visited. Inside the church, old Large Mosaics portraits can be seen.

After the visit of Mount Nebo coaches will depart through the very nice scenic route to Karak to visit Karak castle then continue to Petra.

Upon arrival at the hotel in Petra Luggage will be already inside the rooms if we use luggage truck

Keys will be ready in Alphabetical order on a special desk inside the lobby.

During key distribution a non alcoholic welcome drink will be served.

**Options for dinner:**

**Option one for dinner:**

Regular buffet dinner at the hotel.

Overnight at the hotel.

### **Day three:**

Full buffet breakfast at the hotel

Gather in the lobby of the hotel then walk for about 200 meters where Karma House staff will be waiting with the tickets at the gate of Petra.

After the main gate at the horse station horses will be available for who would like to ride a horse led by a horse man for about 800 meters to the beginning of the Siq at the Siq the visit will start on foot.

The guests who do not wish to ride a horse will join the guide on foot till the Siq and all will meet and continue the guided tour on foot.

The Siq is the sole entrance to this lost Nabatean City, the Siq is a little over one kilometer long passage located between two 50 meter high cliffs that are about five to six meters apart ending at the main attraction of Petra, the Treasury.

The tour will include the Obelisk Tombs, the Siq, the Treasury, Nabatean Tombs the Theater and other sites of this red rose rock city. Buffet lunch will be served at the Basin Restaurant.

After lunch Guests will be given free time to stroll back to the hotel or go up to the monastery

Luggage will be already in the rooms

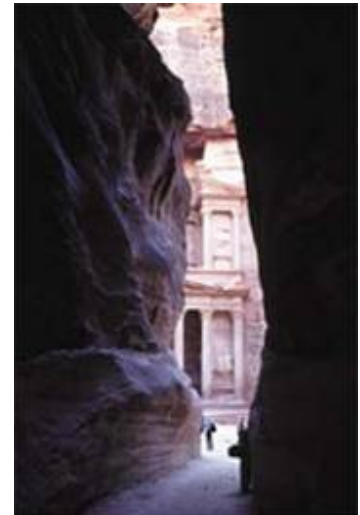

In the early evening depart by coach to little Petra for a set menu seated dinner in front of a nice Nabatean Monument carved in the Sand stone mountains of Petra.

Upon arrival at the site the coach will park in front of a wall of carpets where a gate the middle of it will open in to a candle lit path that will lead them to the tables already set up in front of the Monument as they enter the candle path a flout player will play his music guests will sit down on the tables and a set menu dinner will be served by the Movenpick hotel.

During dinner our Professional DJ will play back ground music and to wards the end of dinner the up beat music will stat.

As well during dinner we can have a folklore troop perform for 20 to 30 minutes between courses.

Overnight at the hotel.

**Day Four:**

Full buffet breakfast at the hotel

Check out and depart to the Dead Sea

Upon arrival at the Dead Sea Buffet lunch will be served followed by check where keys will be ready on a special table outside the entrance of the

restaurant where guests will go up to the room and have an afternoon to float on the heavy waters of the dead sea or pre book a treatment at the spa at an extra cost.

In the early evening guests will gather at a designated area where a local musician group will escort the guests to the functional area where a one thousand one Arabian night theme dinner will take place where the whole function area will be decorated with local props and rugs, seating on low tables and chairs with lantern stands are over them to create the best feeling of a 1001 Arabian night theme dinner where our professional DJ will create the perfect atmosphere and the high light of this evening will be a belly dancer that will perform for 30 minutes towards the end of the evening.

As an option before the guests arrive to the hotel we will put in the rooms local dresses for men and women where the guide will tell them on the coach that when they arrive to the room they will find their pass for dinner tonight where without it they will not be admitted so each guest will put on the costume for the 1001 Arabian nights.

Over night at the hotel.
